

GL7200 65W HARVEST LED GROW LIGHT BAR

TECHNICAL DATA

Product name	65W Harvest LED Grow Light Bar
Product Model No.	GL7200
Working Voltage	AC100-240V 50/60Hz
System Power Consumption	65W
LED Type	San An
LED Quantity	72pcs 3030 SMD
Beam Angle	60°/90°/120°
Product Dimension	1200*54*23mm
Waterproof Rating	IP65
Luminous Efficacy(lm/w)	50-60lm/w
Full spectrum of Ratio (Main wavelengths)	620-630nm/650-670nm/730-750nm /390-410nm/430-450nm/460-470nm
Par Value (PPFD):(μmol/m²/s)	336μmol-0.3M, 189μmol-0.5M 95μmol-1.0M, 53μmol-1.5M
Lighting Coverage	0.3M-1.8m ² , 0.5M-3.7m ² , 1.0M-5.6m ² , 1.5M-7.5m ²
Working Temp (°C)	-25°~40°
Body Material	Die-cast Aluminium + high light transmission lens
Finish	Aluminium
Rated for Certification	CE, RoHs
LEDs Life Span	≥50000Hours
Outer Packing size	126*23*23mm (9pcs/carton)
Warranty	2 Years

APPLICATIONS

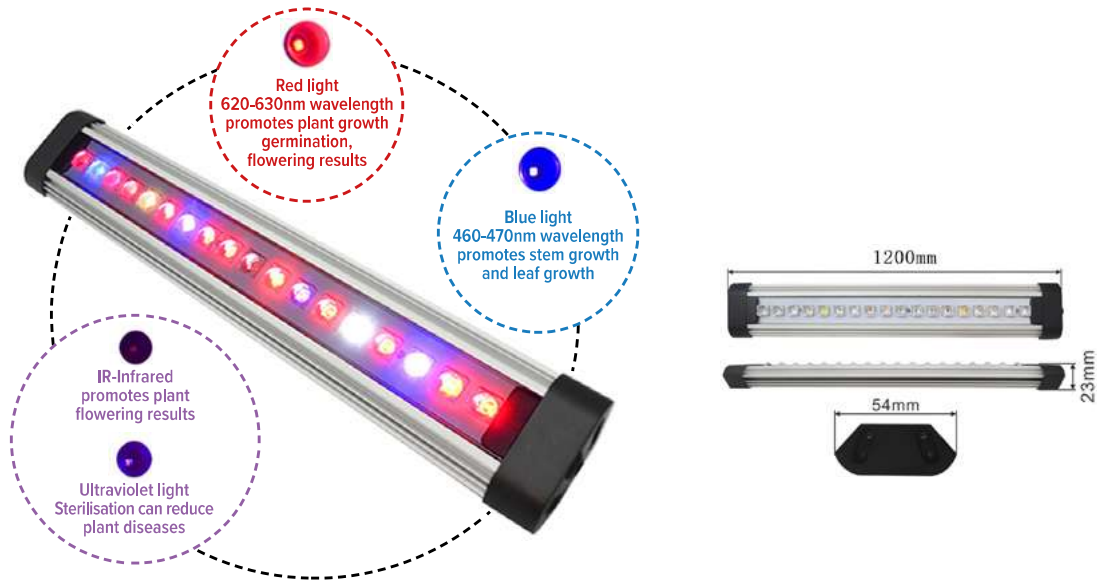

For flowers, fruits, vegetables and leafy plants.

FEATURES AND BENEFITS

- Built-in Heat-sink with no fan for rapid dispersement of heat
- Constant current driver for long life
- Full Spectrum of multiple wavelengths to optimise growing conditions
- IP65 waterproof rating for high humidity use
- Perfect for home or large scale growing

GL7200 65W HARVEST LED GROW LIGHT BAR

CHARACTERISTICS

INSTALLATION

Suspension Cables (included)

Mounting Brackets (included)

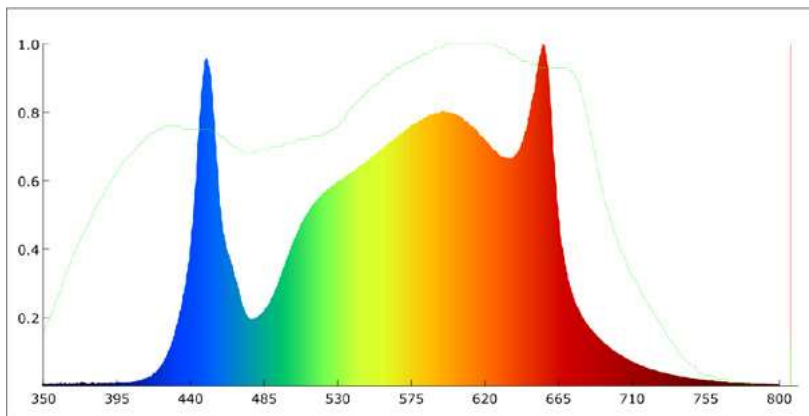

3 Bar Fitting

6 bar Fitting

GL7200 65W HARVEST LED GROW LIGHT BAR

PRODUCT SPECTRUM

APPLICATIONS

Herbs

Vegetables/ Salad

Flowers

Fruits

Seeds

Succulents
